St. Peter's Episcopal Church

St. Peter's Church was organized in 1885 and the cornerstone was dedicated September 5th, 1886. This structure still stands on Brown Avenue in Norfolk. The first worship service at our present site was in the parish hall on Christmas Eve, 1959. All existing construction was completed in 1965.

Labor Day is the first Monday in September. It is the creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well being of our country.

The first Labor Day holiday was celebrated in 1882, in New York City, in accordance with the plans of the Central Labor Union. In 1894, 23 more states had adopted the holiday, and on June 28, 1894, President Grover Cleveland signed a law making the first Monday in September of each year a national holiday.

Granting Forgiveness
By Dr. Dan Wuori

When we forgive others we make a decision to stop
being hurt and angry and we move on. We
just tell the other person that everything is okay
we decide in our hearts to let things be over.

Some of you may like learning on line, some of you
may not like it so much but whatever your feeling
are about this situation please know that God is with
you and that you have what it takes to overcome
anything that comes your way. I invite you
welcome this new school year with a positive
attitude and with God in your hearts.

When people are unkind it can hurt our feelings

truly forgive someone who has hurt us. But Jesus
tells us that we must. Not only must we forgive
we may even have to keep doing it over and over.

Letter from the Senior Warden

The coronavirus has drastically changed our world. But the uniqueness of this situation is that we are all facing the same thing together, while being apart. The physical distance we are experiencing can be a great challenge. Schools, business, and churches have closed their doors for an indefinite period of time. But faith leaders from across America have a message of hope for us. What shall we as Christians say amidst such difficulty and troubling times? How can we find hope and encouragement? The diverse voices of news and media are loud and contradictory, and confusion abounds. We are consumed by hearing anyone and everyone's opinion of what to do and how to think in the COVID-19 crisis. And yet the Psalmist describes an uncommon posture, "For God alone, O my soul, wait in silence, for my hope is from Him." Silence is undoubtedly a forgotten practice in this generation. If we embrace slowing down and stepping into silence with God, we will grow in our confidence of tomorrow's reality and take hold of hope. Furthermore, it is not just hope we find; we find God, the source of all hope, in our silence. We must remember that God is in control! He is the Lord of history and Creator of everything which exists. There is nothing which escapes Him. Not a drop of rain falls nor a blade of grass buds without Him knowing it. His power and knowledge know no limit; and He has promised to use that omnipotence for us. I pray that we as a Christian community will continue to follow the guidelines set forth by the Bishop and her staff so we can work on regathering sooner rather than later. The vestry and I continue to meet regularly and decide what steps to take to make regathering possible. Please pray for your vestry and the church staff and all those who are suffering during these trying times, keep the faith and maintain contact with your vestry members and voice your concerns and needs so we can be united in our efforts. Feel free to contact me if you have specific needs or concerns. We will continue to live stream the services each Sunday, and while we do have some technical issues, we will overcome them and persevere. Be sure to check the website for future updates in information.

Report from the Junior Warden

Church maintenance continues through the pandemic, and we always need help! There is always plenty to do., it's ongoing! If you would like to help us please call me 518-0058 or contact Bruce Comfort 630-0737, or call the church office, 466-9392.

The parish hall needs some tender loving care, so a group of helpers volunteered!

Many thanks to Nancy Comfort, Bruce Comfort, Charlotte Corbett and Lynne Monette, for the endless hours spent on painting the stage front and painting the trim. There is still plenty of painting to do.....the remaining trim, and the coffee cart also needs painting.

Windows have been cleaned and the curtains washed

New blinds have been installed

Doors were cleaned, washed and painted

Air vents were cleaned and also the fan blades!

The kitchen was not ignored. Wax build up around the doors was scraped off.

The refrigerator was emptied (a lot of expired moldy foods were thrown out)
A reminder to all to please mark the food you leave in the fridge e.g. Youth, Bible Study etc.. Any left over food needs to be thrown out after a week.

The fridge was cleaned thoroughly.

Now that our Kitchen Angel, Ms. Bonnie is no longer with us, its up to us to keep the kitchen clean and cared for.

The sinks need to be cleaned on a regular basis.

Help is still needed with the following:

- Picking up pine cones and pine straw in the parking lot
- Repairing the leak in the steeple
- Pine tree trimming
- Once church opens. And the pews are sanitized., help is needed to wipe down the pews and all wood surfaces.

•

If any of these jobs appeal to you, please call me at 518-0058.

Thank you,

Linsey
Jr. Warden
