RALLY DAY!! Today following worship. The beginning of the new Christian Education year! Fun and games for all. Lots of good food and fellowship!

Planning Our Future Together We are inviting you to complete the Church Assessment Tool (CAT), an online instrument that will help leaders gauge the strength, vitality and trends in our church. The information gained from this assessment will be valuable in helping the leaders of St. Peter's as they make decisions about the future of our church.

In a few days, you will receive an email with a unique link to the CAT. Beginning September 13th, we are asking you to go online by clicking on the link provided and tell us about your experiences in and priorities for our church. Please do not discuss the survey or your answers with others as this may influence their answers.

If you need a paper copy, please come by the office, and we will provide one for you along with a stamped addressed envelope.

All answers are strictly anonymous. We have no way of matching any assessment to a particular person, so please feel free to candidly share your perceptions, opinions and experiences. Our future together is dependent on your participation and honest answers.

If you have questions, please contact one of the CAT team members.

Many thanks,

The CAT leadership team:
