

## **Letter from the Senior Warden**

**March 2, 2021**

I realize this is late in coming but I thought that being in the season of lent I should address something that I neglected to talk about at the beginning of the year, "OUTREACH". With the retirement of John and to effects of the Pandemic over the past year I for one have slipped into a lull, forgetting the need for continued support of not only each other but for those that are really suffering from the effects of this lack of the ability to gather in community and supply those things that help us sustain each other physically and spiritually. That being said I am reaching out to each of you, our Christian community, to bring your attention to the fact that we have neglected to provide information on a program for the Lenten Offering, which we normally gather through this season to offer to an outreach program for support with whatever we collect during lent, usually chosen by the vestry. With the inability to gather and provide offering envelopes for people to fill with donations we have fallen short and are behind in what we do as a community. I am writing this to ask you to consider who we are called to be and what we are asked to do for our fellow man and provide for those less fortunate. For those that are capable and willing please send your donations to the office, designating them for the Lenten offering or outreach so we can continue in the promise we live by and have strived for in the past. Be assured we will come together again soon and with the help of our" New Priest-In-Charge" Rev. Jesse Lassiter we will again worship as the community of St Peter's church to the glory of God. May God bless you and keep you in these trying time as he does always.

Bruce Comfort

Senior Warden
